MRS. MORA

The word **new** describes something recently made, arrived, or discovered. Use the clues to build new words by joining **new** with the given prefixes, suffixes, or base words. Can you make it to the top of the ladder?

<b>Add a prefix.</b> Can be used up or is difficult to replace	→	
<b>Add a suffix.</b> Is easily replaced or cannot be used up	→	
<b>Remove the suffix.</b> First-person singular: To make new again	→	
<b>Remove a base word. Add a prefix.</b> Makes new again	→	
<b>Change the base word for another.</b> A letter with updates or information	→	
<b>Add a base word.</b> A periodical text with news or information	→	
<b>Change the suffix.</b> A report with new information	→	
<b>Change the suffix.</b> The "most new" of all	→	
<b>Add a suffix.</b> "More new" than something else	→	
<b>Start Here!</b>	→	new

**PREFIXES**

- non-
- re-

**SUFFIXES**
